

Tioga County Fair Demolition Derby Rules 2019

- Driver Information: Driver & pit crew must be at least 16 years of age
- Driver must wear clean long sleeve shirt and long pants when in competition (over-alls or fire suit recommended). Driver must wear a snell85 or newer dot approved helmet (full-face recommended). Eye protection required.
- Drivers must wear seatbelts.
- Driver may enter as many cars as there are qualifying heats
- Driver conduct: Drivers are responsible for the action of their crew members. Any driver or crew not obeying rules will be disqualified.
- NO alcoholic beverages in pit area or on the grounds. NO ONE under the influence of alcohol or drugs will be allowed to run.
- All cards are inspected; cars not meeting regulation will not be allowed to run. NO money refunded.
- Any car stalled, stuck, or hooked for more than 1 minute will be disqualified. No sand bagging allowed; you will be disqualified. All participants must adhere to NYS law regarding towing of vehicle.
- Judge's decisions are final

Youth Class

- 1) Cars must be 100% stock- only modifications allowed are:
 - a. Bar behind seat
 - b. May move battery
 - c. May move gas tank
- 2) Doors must be chained or wire them closed.
- 3) Both front doors must be painted white
- 4) Both front seats must remain in place.
- 5) Front Wheel Drive Only

Stock Class

This class is stock other than what is noted

- 1) Drive train must be stock (if it's a Ford it must be Ford drive train if it's a Toyota, it must be a Toyota drive train, etc...)
- 2) Stacks: Ok out of hood if it's in a safe manner that doesn't reinforce any part of the car
- 3) The battery & gas tank may be removed & relocated; as long as it is safely strapped tight & covered. If you chose to use a stock tank, it must remain under the car, and forward of the rear axle.
- 4) Tires must be 2 or 4 ply car tires only0 No LTs or Farm
- 5) Bumpers- may be changed from compact to compact, or v8 to v8 must be bolted. Absolutely no welding of any kind- ½" bolt size

Tioga County Fair Demolition Derby Rules 2019

- 6) Hood, doors, and trunks must be chained or wired; no welding or bolting. Chain must be from tin to tin or body- nothing around frame, floor, rocker, bumper etc...
- 7) Spreader bar from behind driver seat door to door only may use a 6 x 6 inch plate on end of pipe or tubing to weld or bolt to door. Again tight to seat, not back of seat, not halfway back- this is for driver protection-max size 4x4
- 8) Front Wheel Drive Only

ANY QUESTIONS PLEASE CALL- DO NOT ASSUME ANYTHING!

Mod Class V8- Truck

1. Drive train of your choice.
2. Cradles ok. Protectors ok- but must be bolted in- no welding to the frame
